xpu-evolution midi
 curved pop-up system

Finished panel sizes for all xpu-evolution xpress curved pop-up systems:

All Panels Finished Size: 673mm x 1828mm

All Panels Quarter Size: 168.25mm x 456mm

Artwork to be created as one complete graphic at a quarter of the size:

3x1 - 504.75mm x 465mm

The above system has a total of 3 panels. 2 curved panels and 1 front panel.

3x2 - 673mm x 465mm

The above system has a total of 4 panels. 2 curved panels and 2 front panels.

3x3 - 841.25mm x 465mm

The above system has a total of 5 panels. 2 curved panels and 3 front panels.

3x4 - 1009.5mm x 465mm

The above system has a total of 6 panels. 2 curved panels and 4 front panels.

3x5 - 1177.75mm x 465mm

The above system has a total of 7 panels. 2 curved panels and 5 front panels.

Artwork should be created in Quark Xpress V4 or 5. Please set your artwork as individual pages to create a spread. If you are creating the artwork in any other software, please save the artwork as JPEG or EPS format and make sure the file is CMYK. Please allow 1mm bleed on the quarter size artwork. (Once increased this will give us bleed of 4mm).

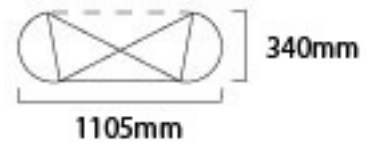

System shown is a 3x3 xpu-evolution midi.
